

## SURI NETWORK

### FIRST TIME FLEECE ENTRANT AWARD

In 2021, The Suri Network will award one plaque to the highest scoring “First Time Entrant” in the All Suri Fleece Show. The winner will be announced soon after the show after the results are tabulated. Scores will be based on the fleeces submitted in the regular Fleece competition

Points will be awarded for each entry based on placement in the class and each farm’s total points, which are then divided by the number of entries for that farm. The Show Superintendent will be responsible for the calculations.

All first-time entrants in the All Suri Fleece Show are eligible regardless of time in the business. Eligibility is based on the entrant/farm, not the fleece. For example:

- Owner Jane has previously shown Alpaca X’s fleece in the All Suri Fleece Show.
- Owner Jane sells Alpaca X to Owner John who has never entered a fleece in the All Suri Fleece Show.
- Owner John is eligible for the First Time Fleece Award.
- Owner Jane is not eligible.

A score will be calculated based on the farm’s Regular Fleece, Get of Sire and Produce of Dam entries.

Entries are based on ARI certificates.

## **THE SURI NETWORK BREEDER CUP**

The following entries are eligible for the Breeder Cup:

### **Fleece Show**

- Regular Fleece Class (one entry per fleece)
- Get of Sire Class (one entry per sire)
- Produce of Dam Class (one entry per dam)

### **Points Assigned to Placements in Fleece Show**

- First Place = 6 points
- Second Place = 5 points
- Third Place = 4 points
- Fourth Place = 3 points
- Fifth Place = 2 points
- Sixth Place = 1 points
- Color Champion = additional 7 points
- Reserve Color Champion = additional 5 points
- Judge's Choice = additional 10 points
- Specialty fleece awards = additional 5 points

## **BREAKING TIES**

**There are three levels of tie breakers for this award.**

### **LEVEL 1**

If there is a tie, show management will first break the tie on the number of entries for each ranch. The ranch that acquired the points with the fewer entries will win the tie.

#### **Example:**

Ranch A ended the show with 25 points and a total entries count of 6

Ranch B ended the show with 25 points and a total entries count of 4

Ranch B will be declared the winner.

### **LEVEL 2**

If there is still a tie after using Level 1, then show management will review all winnings of the ranches in question and the ranch with the most first place awards will win the tie.

#### **Example:**

Ranch A ended the show with four 1st place ribbons

Ranch B ended the show with three 1st place ribbons

Ranch A will be declared the winner.

## **LEVEL 3**

If there is still a tie after using the Level 1 and Level 2 tie breaker system, then show management will assign multipliers to the 1st place awards given to the ranches. The multipliers will be based on the size of the classes that the 1st place awards were given.

### **Example:**

#### **CLASS SIZE MULTIPLIER**

1	1.1
2	1.2
3	1.3
4	1.4
5	1.5
6	1.6

Each first-place ribbon awarded to the ranches will be reassigned the new point with the multiplier and the ranch awards will be re-calculated with these points to determine the winners.
